

Finding a MAC fee schedule

Step 1: Go to <https://www.cms.gov/Medicare/Medicare-Contracting/FFSProvCustSvcGen/MAC-Website-List> to find MAC website.

MAC Website List

Find your Medicare Administrative Contractor's (MAC) website by selecting your place of business or MAC's name. Also included at the end of the "MAC Name" list are links to specialty contractors you may also interact with as a Medicare provider or supplier. Providers who submit claims not based on their place of business can use the MAC name list.
